The apex of retail is achieved.

elan Imperial leaves behind the prevailing concepts of retail to become a hallmark of spectacular and dazzling experience. A supreme architectural feat achieved by BENOY through Elan Imperial sets an example for the future. It is not just a retail space, but a destination to be immersed in for an elevated luxury experience.

A grand entrance running across the prime New Sector Road offers smooth arrival.

A BENCHMARK RETAIL

In the east, the first plaza that welcomes the guests is set up with an impressive Triple Height and situated behind the glazed facade. A series of escalators climbing up, down and around the water cascade and digital presentation create an incredible experience for the shoppers as they ascend to the upper levels.

FIELD

On the opposite, this dynamically shaped plaza is lit with natural daylight from the above. Light seeps in creating a dramatically lighted pavilion below.

Beneath the Majestic Plaza is a floating pavilion from where guests can enjoy uninterrupted views of the terraces and interactive areas while enjoying the interactive presentations and views of fountains.
